

5'S COMPLEMENT

A DEFINITION

Trouvons les amis des nombres qui s'associent pour faire 5 ! Quand on connaît ces paires spéciales, additionner et soustraire devient beaucoup plus facile et rapide. Pense à cela comme un puzzle où deux pièces s'assemblent pour faire cinq.

Definition 5's Complement

The **5's complement** is the number we add to make 5.

Number	Complement	Sum	Cubes	Circles	Fingers
1	4	$1 + 4 = 5$			
2	3	$2 + 3 = 5$			
3	2	$3 + 2 = 5$			
4	1	$4 + 1 = 5$
